Welcome to a New Ride Year

For those of you who have joined the Challenge for 2019, as new or returning members, Welcome!

And for everyone that participated in 2018, congratulations! Hopefully you were able to earn some points, even if you couldn't attend a ride there were many opportunities to earn points with volunteering or clinics (online and webinars) - so keep that in mind for 2019!

If in 2018 you earned 10 points or more, we will be mailing you the "Completion Awards" in January .

******Very important****** You must fill out this form [BY JAN 4th](#) to confirm your mailing address to get your certificate and pin!!

Teams and other ways to have fun!

The team competition is up to 5 riders who collectively accrue points towards a year end award. Team members do not need to live near each other or ride together. Also, a rider can ride as many different horses as they wish – all points will count towards the team total.

If you have a team ready to register go here:

<http://greenbeanendurance.org/team-registration/>

If you don't have enough riders for a team, indicate on the open rider spots if you will find a person or if you are okay with us assigning one to your team.

OR, if you need assistance finding a team, fill out the form on that page

You can Recruit!! Post stuff on AERC and refer to Green Beans.

There are also several Endomondo Challenges open for 2019:

<http://greenbeanendurance.org/endomondo-challenges>

And once again, THT will be doing the Grow Your Garden challenge for 2019, sponsoring 3 full tack sets. So remember to complete your chores to be entered!
